PSP NEWS

PSP Election Information: PSP Executive Committee and Delegates started the 2nd year of their term on July 1, 2024. In the Spring of 2025 we will hold elections for all positions. If you are interested in becoming a delegate or you would like to run for a seat on our executive committee this would be your opportunity. More information regarding everything you need to know regarding our election process will be coming in a separate email.

HR and Department Issues: Please reach out to your delegate or one of our Co-President's if you are having any issues. Too often we get a call, and the problem has been going on for months or even years. It makes getting these situations resolved more difficult.

Retirement Questions: We have had a lot of questions regarding retirement. Most retirement questions go through our payroll department. Make an appointment with Danielle Kesel to get these questions answered.

You can also create a user account on the Social Security Administration and the NYS Retirement system websites.

2024 - 2025 School Year: Please take the time to let your delegates and Executive Committee members know what is important to you. We would love to hear from you. What are we doing right and what could we improve on?

It is important to keep our membership numbers up so that we don't risk losing our union and contract. Start a conversation with your co-workers about why our union is important.

We are also interested in knowing if our members would be interested in any after work social gatherings next year?

We want to hear from you!
